

Greetings St. Paul Lutheran Church!

On Wednesday, the Sarasota County Commission recognized Ethel Hamilton's 102nd Birthday. Here are a few pictures. More will be in the next Messenger. As mentioned in the email section, we will celebrate her birthday on Sunday (her actual birthday) with a few of her favorite hymns and a coffee hour in her honor after worship.

Last Sunday we celebrated during our outdoor worship service the family and friends of long-time member Virginia McQuaig attended to celebrate her life together. Ginny was 98 (3 months short of 99). Her family sent a note of thanks and collage of pictures during the week... "My heart was filled with peace as you gave each fortunate to participate a heartfelt message and worship experience. I know my mom was making a joyful noise. Please express my gratitude to all who made created a delightful fellowship hour...especially the When the Saints Come Marching In performance!"

Take care and God bless
-PrAshley
