

Greetings St. Paul Lutheran Church!

I recently was looking through my saved Facebook posts. I've shared that whenever I see something I like, I save it and go through them once in a while. These three posts weren't shared at the same time or by the same people, but I thought they together had similar ideas, asking similar questions, pondering similar thoughts about life and how we live it out. I hope you enjoy them as much as I did.

Take care, and God bless,

-PrAshley

"At the center of the Universe is a loving heart that continues to beat and that wants the best for every person. Anything that we can do to help foster the intellect and spirit and emotional growth of our fellow human beings, that is our job. Those of us who have this particular vision must continue against all odds."

Fred Rogers
