

Greetings St. Paul Lutheran Church!

God's Work Our Hands weekend was a success. Thank you to all who participated. Here are some pictures from the beginning to the end.

Take care and God bless

*-PrAshley*

Tables full of bags, coloring books, stickers, crayons, blankets and teddy bears ready to be assembled.

Hearing about the Grace-based Grief Resources for Children Ministry from Chaplain Jeff Wallace and Auggie showing us how to put the bags together. He was our leader for the day.

Everyone got a turn to put bags together.

There was even a sit-down job to put a tag on the bag to remind each recipient that they are loved by God.

And of course, it wasn't done if there wasn't a picture taken of the team.

The bear bags were placed in the sanctuary and blessed on Sunday.
